To Whom It May Concern:

I'm writing to express my gratitude and delight for the engagement Olivia Fox Cabane recently held with the Entrepreneurs Organisation Sydney. We were overwhelmed that the event sold out within hours of its posting –this is a very rare occurrence for such very time-poor entrepreneurs! It seems the topic, and Olivia's credentials, proved a huge hit with our membership.

The feedback we've received since the event has also been outstanding. The mood on the morning was uplifting, insightful and energetic, which is exactly what we were looking to create.

Olivia's content was well founded, well structured and highly impactful. I know that our members learnt skills that they could take away and immediately apply to their relationships and businesses. Again, this is the exact effect we were after!

Dealing with Olivia in the lead up to the event was a breeze. Her professionalism was second to none and she's a true disciple of her message – full of charisma, influence and charm!! I've already sung her praises to many who've asked for a speaker referral and I hope our association continues well into the future.
